#### REMARKS

Applicant acknowledges with appreciation the Notice of Allowance received in the above-identified application.

Applicant to date has not paid the issue fee.

Applicant has amended Applicant's claim to priority for clarification as discussed with the Examiner. The new Cross-Reference section above is identical to the previous section, except that Applicant has deleted a portion at the end so that Applicant is no longer claiming priority to U.S. Patents

4,553,081 and 4,455,523. For the convenience of the Examiner,

Applicant attaches hereto Appendix A, which is the previous Cross-Reference section showing the deleted portion in brackets with bolded and italicized text.

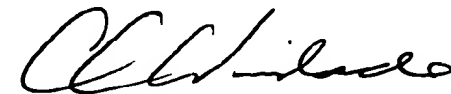

While Applicant no longer claims priority to U.S Patents 4,455,523 and 4,553,081, it should be understood that Applicant still incorporates those patents by reference in their entirety into the above-identified application as set forth on page 2 of the specification. Moreover, it should also be understood that the above amendment should not be interpreted as a waiver of any priority claim to those patents for any future cases.

Applicant respectfully requests that the above amendment be entered and that the above-identified application be passed to issuance.

Should the Examiner have any questions regarding this submission, Applicant respectfully requests that the Examiner telephone the undersigned at (312) 707-8889.

Date: November 22, 1999

Respectfully submitted,
